Lunch Boxes and Snack

May we gently remind parents that we ask for a donation of 50p per family per week to provide fresh fruit and vegetables as snack for the children.

In keeping with our healthy eating policy we ask that children's lunch boxes do not contain sweets or chocolate. By all means provide a biscuit or something similar for pudding, along with a yoghurt etc.

It can be difficult to encourage children to eat the

savoury part of their lunch if chocolate is available.

This also supports children preparing to transfer to Primary School, as they do not allow sweets.

Please can we ask that packed lunches only contain what your child usually eats at lunchtime, and can be eaten in around half an hour - again, this helps to prepare for school.

Thank you

Preschool Times

The morning session starts at 09.00am and the finish time is 12.00 noon. The afternoon session starts at 12.00 noon and finishes at either 2.50 or 3.00pm, depending on your circumstances.

It is important that children are collected on time as some children can get upset if they feel they are being left behind. Late collections also present problems with staffing, particularly around lunchtime.

THANK YOU

Clothes

Please remember to put your child's name in their clothes and belongings, and if your child goes home in some of our emergency clothing, would you please return it as soon as possible, as we only have a small amount of spare clothes.

Children's Safety

The safety and wellbeing of the children at Preschool is of paramount importance to us. For this reason parents are asked to ensure that we have their up to date contact information in case of emergencies.

We also ask that if someone we do not know is collecting your child, you must inform us beforehand and provide a password, or the child will not be released into their care.
